From the Publisher

One more year and we will be celebrating 35 years of The Pink Pages Directory, one of the most prominent, oldest, most respected resources for our 2SLGBTQIA+ community (and named recently by Berkeley University as one of the 9 top platforms to reach the queer community).

I have been involved in this amazing directory for many years with the past publishers, before taking it over at INspired Media 18 years ago. It has been one of the biggest pleasures of my life to work on this. Over the years I have worked with and seen our team help many many 1000s of businesses and organizations connect with our community authentically. It always felt that what we do in opening doors is special.

But the last year has been even more special. First we have worked on and launched a whole new website to take us into the future. It is easier to navigate, and esthetically I am thrilled with what our art director has created. I hope you enjoy the experience every time you visit the site.

We also have pushed our expansion in North America, with team members joining us in different provinces and states, to help more businesses and more queer communities connect together. We have added to our strong Facebook presence, a new growing Instagram platform. PLUS we launched The Pink Pages Directory Podcast, and been having great chats with business owners and experts.

Here is to an even greater year ahead, and thank you always for supporting queer media and queer owned and friendly businesses.

Remember we are here for community so if you need us feel free to get in touch.

Warmest regards,

Antoine Elhashem
Publisher

Message from the Mayor

Greetings to the publishers and readers of the 34th edition of The Pink Pages Directory. This directory offers 2SLGBTQ+ residents a wonderful resource where they can learn more about Queer-friendly, and inclusive businesses and organizations in their communities.

Since the establishment of the publication in Toronto in 1989, The Pink Pages Directory has grown to serve the needs of 2SLGBTQ+ communities in Canada and internationally.

Community directories like this one play an integral role in strengthening our communities and are a significant platform through which people are connected to one another and kept informed on important news and information.

Best wishes for the continued success of your publication.

Yours truly,

Olivia Chow

Dear Partners and friends,

Canada's 2SLGBTQ+ Chamber of Commerce (CGLCC) is proud to partner with The Pink Pages Directory, Canada's official Gay, Lesbian, Trans, Bi, and Queer Directory. The Pink Pages Directory and the companies listed have a long history of supporting and serving the 2SLGBTQ+ community, and we encourage you to work with these businesses.

Canadian businesses are as diverse as our country – there is something for everyone. Our cities are among the world's most multicultural and diverse. We host some of the biggest and best 2SLGBTQ+ film festivals, sporting events, theatre, special events, and pride celebrations that draw in visitors from around the world. Our country and 2SLGBTQ+ community offers a stunning selection of shopping and culinary experiences, goods, and services – to any customer or visitor.

The CGLCC links 2SLGBTQ+ businesses in Canada to the wider business and corporate community. It fosters economic growth by supporting and nurturing 2SLGBTQ+ businesses, entrepreneurs, and allies, and by helping Canada's corporate world connect with the 2SLGBTQ+ business community. We are the only chamber of commerce uniting and advocating for the over 100,000 2SLGBTQ+ owned and operated businesses in Canada.

We would like to thank The Pink Pages Directory for their ongoing commitment to supporting and serving the 2SLGBTQ+ community.

In solidarity,

Congratulations to The Pink Pages Directory on their amazing 34th edition.

This fantastic resource for the 2SLGBTQI+ community and those wishing to find us, has been an integral part of the Queer business community and an excellent resource for businesses for decades.

The OGLCC has been a working partner with The Pink Pages Directory since we were founded in 1999.

2024 will be the 25th anniversary for the OGLCC, (Ontario Gay and Lesbian Chamber of Commerce) and we are celebrating with an amazing rebrand of our networking group, QBEN (Queer Business and Entrepreneur Network.)

QBEN brings together small and medium-sized Queer businesses, entrepreneurs and creative professionals alongside corporations and large businesses to network together and share ideas, services, and fellowships, that make our community stronger and more vibrant.

You can reach us and find out how to participate in our monthly networking and other events, or become a member by going to www.qben.ca

Together with The Pink Pages Directory and INspired Media, we create resources to elevate the 2SLGBTQI+ business community to new heights!

Sincerely,

John Kenyon

The Office of
MAYOR ANDREA HORWATH
CITY OF HAMILTON

On behalf of the City of Hamilton, and my Council colleagues, it is my great pleasure to extend greetings to all the readers of the 34th editions of The Pink Pages Directory.

Award-winning The Pink Pages Directory has been a trusted resource for the 2SLGBTQIA+ community since 1989, connecting folks with queer-friendly and queer-welcoming businesses and services across the country.

I want to commend the publishers on being such fierce advocates and leaders within the queer community. This iconic publication has given voice to a community that hasn't always been allowed to have one.

Thank you for your ongoing dedication and commitment to ensuring that everyone feels safe and welcome in their community.

Yours Sincerely,

Une année de plus et nous célébrerons les 35 ans du Pink Pages Directory, l'une des ressources les plus importantes, les plus anciennes et les plus respectées de notre communauté 2SLGBTQIA+ (et récemment nommée par l'Université de Berkeley comme l'une des 9 meilleures plateformes pour atteindre la communauté queer.).

J'ai été impliqué dans cet incroyable annuaire pendant de nombreuses années chez les anciens éditeurs, avant de le reprendre chez INspired Media il y a 18 ans. Cela a été l'un des plus grands plaisirs de ma vie de travailler là-dessus. Au fil des années, j'ai travaillé et vu notre équipe aider des milliers d'entreprises et d'organisations à se connecter de manière authentique avec notre communauté. J'ai toujours eu le sentiment que ce que nous faisons en ouvrant des portes est spécial.

Mais l'année dernière a été encore plus spéciale. Nous avons d'abord travaillé sur et lancé un tout nouveau site Web pour nous emmener vers l'avenir. La navigation est plus facile et, esthétiquement, je suis ravi de ce que notre directeur artistique a créé. J'espère que vous apprécierez l'expérience à chaque fois que vous visitez le site.

Nous avons également accéléré notre expansion en Amérique du Nord, avec des membres de notre équipe nous rejoignant dans différentes provinces et États, pour aider davantage d'entreprises et davantage de communautés queer à se connecter. Nous avons ajouté à notre forte présence sur Facebook, une nouvelle plateforme Instagram en pleine croissance. DE PLUS, nous avons lancé le podcast The Pink Pages Directory et avons eu d'excellentes discussions avec des propriétaires d'entreprise et des experts.

En attendant une année encore plus belle à venir, et merci de toujours soutenir les médias queer et les entreprises amicales et détenues par les queers.

N'oubliez pas que nous sommes là pour la communauté, donc si vous avez besoin de nous, n'hésitez pas à nous contacter.

Salutations chaleureuses,

Antoine Elhashem
